

# Our Guarantee

If, upon completion of Passing the CSC® course, you are not successful on the CSC® examination, you can attend the next session, paying only a \$150 materials and administration fee.

\* Some conditions apply; ask your instructor for details

**“The CSC® Prep Course provided by U of T far exceeded my expectations. Audio pre-lessons, in-class lectures, and weekly quizzes, combined with mock exams and hundreds of practice questions, provided me with the formula for success.”**  
Adil Mohammed, Learner

Passing the  
**CSC®**

Developed by  
Michael Hlinka

The University of Toronto School of Continuing Studies (SCS) meets the needs of adult learners through expertly designed non-degree courses delivered by instructors who are recognized leaders in their fields. Many of our programs can lead to professional accreditation, and, building on the momentum of our students' success, we've earned a global reputation as innovators in continuing education.

## Passing the CSC<sup>®</sup> examination

SCS's intensive course gives students the opportunity to prepare for and pass both Volume I and Volume II of the Canadian Securities Course (CSC)<sup>®</sup> within four months.

Our course provides:

- 15 weeks of classes and 30 hours of in-class instruction
- A test bank of 1,000 questions
- Comprehensive notes
- Regular office hours
- 12 hours of audio lessons
- Detailed video modules
- Weekly quizzes and comprehensive examinations that simulate the difficulty of the actual CSC<sup>®</sup> exams

Course fee: \$899

Please note that your enrolment and purchase of the University of Toronto School of Continuing Studies materials does not constitute enrolment in the actual licensing course(s).

Instead, these materials are designed to assist you in understanding the content of such courses. If you have not already done so, you must register with CSI in order to obtain their course materials and write the related certification exam.

The trademarks CSI, CSC<sup>®</sup>, The Canadian Securities Institute, and The Canadian Securities Courses, are owned by MAGE. MAGE does not sponsor, license, or necessarily recommend these notes and/or study materials for any of its courses. The University of Toronto School of Continuing Studies is an independent supplier of educational services.
