

## The Academy for Lifelong Learning Bursary

### Definition

The Academy for Lifelong Learning Bursary was established in 2010 to support individuals wanting to enroll in University of Toronto School of Continuing Studies courses\* but who are unable to do so due to financial challenges. Bursaries are non-repayable and are intended to assist in financing course costs only. Students who complete a bursary application are expected to have explored additional sources of financial assistance.

### Value

A limited number of bursaries with a value of up to \$500.00 will be awarded annually. Funds carry no cash value and cannot be refunded or applied to future credit with SCS. All bursary credits must be used within 3 weeks of approval.

### Eligibility

- Students with current outstanding debts to the School of Continuing Studies are not eligible.
- Students who qualify for other financial assistance programs (e.g. OSAP) are not eligible.
- Students may only apply for one bursary per term (Fall, Winter, and Spring).
- Proof of family income (e.g., Income Tax Return Verification; most recent Notice of Assessment; government approved proof of unemployment, disabilities, etc.) will be required of all approved applicants.
- Students must be a Canadian citizen, permanent resident, or protected person in Canada, and must be residing in Canada at the time of applying.
- Bursaries cannot be used in conjunction with any promotional discounts, including the OBPAP bursary, OBEC discount, CWCC discount, Comparative Education Services discount, UofT Alumni Benefit, or UofT Staff tuition waiver.

### Selection Criteria

Applications will be evaluated and ranked according to the following criteria:

1. Demonstration of financial need (see proof of income above).
2. Degree to which funding will assist with achieving the objectives described in the student's learning ambitions.

### Application Procedures

Applications must be submitted via email to [opportunity.scs@utoronto.ca](mailto:opportunity.scs@utoronto.ca). We cannot guarantee that your application will be approved. If you meet the criteria, and funds are available, you will be notified by email or phone 2-3 weeks after the closing of the bursary application period. Approved applicants will be required to provide proof of income documentation for their registration to be processed. Once approved for a bursary you will be asked to pay the balance of the course costs in full upon registration. You will also be **required to provide your social insurance number and identification at this time for tax purposes**. Students who register and pay for courses prior to being notified of a bursary approval are not eligible to receive a course refund.
