Fundamentals

Quercus & The Learning Experience
This session will introduce instructors to our learning management engine Quercus, and to the unique teaching environment at SCS. This training will prepare you to:
 	
   ○ Structure your teaching to meet the needs of SCS learners
   ○ Identify and solve commonly overlooked obstacles for learners
   ○ Integrate online learning tools into teaching to increase access and impact of teaching and learning
	Tuesday April 29 2025
	6 - 7:30pm
	
	AND
	
	Tuesday May 20 2025
	6 - 7:30pm

Teaching @ SCS Using Zoom
This session will cover both technical and pedagogical factors in leading online learning via Zoom, specific to SCS. This training will prepare you to:
 	
   ○ Set the stage for your learners to participate fully via Zoom
   ○ Build engaging and meaningful activities for webinars
   ○ Troubleshoot common obstacles running webinars
	Thursday May 1 2025
	6 - 7:30pm
	
	AND
	
	Thursday May 22 2025
	6 - 7:30pm

Effective Grading & Gradebook Management
This session will explain the Quercus gradebook, assessments, and factors that impact the value of feedback. This training will prepare you to:
 	
   ○ Utilize the Quercus Gradebook efficiently
   ○ Manage individual and group assessments
   ○ Provide meaningful feedback to learners
	Wednesday June 18 2025
	6 - 7:30pm

Q Review Week!

Book a 30-minute timeslot with one of our Learning Design & Development Specialists at SCS, to review your Quercus site, webinar materials, and answer any questions you have regarding teaching at SCS. You can book time here: https://outlook.office365.com/owa/calendar/SCSQWeekReview@utoronto.onmicrosoft.com/bookings/	**Week of May 5 - 8** 10am - 5pm
